

New Patient Welcome Packet
Adult

Greetings,

Welcome to Orchid Health! Our Health Clinics were founded on the belief that our state's rural communities deserve to have extremely high quality healthcare that is local, comprehensive, and takes the time to address what matters most to each individual.

We have brought together the following care team members to provide individualized, comprehensive care:

Primary Care Provider (PCP): Your PCP will help you think through important health decisions and may connect you with another member of the care team to make sure that you are getting the best care.

Medical Assistant (MA): Your Medical Assistant will often be the first person you talk with when you have a health concern and will work closely with your PCP to help support any standard ongoing healthcare needs.

Nurse Care Coordinator (RN): At Orchid, we have nurses that help you design a personalized Care Plan, including identifying your personal health goals and planning for any upcoming preventive health items.

Behavioral Health Provider (BH): Our Behavioral Health Providers are available to help with any mental, emotional, or behavioral health needs that you may have. This may include making lifestyle changes, dealing with sadness or loneliness, or problems at home or school.

Community Health Worker (CHW): Our Community Health Workers are available to connect you with community resources, assist in navigating systems, help with insurance questions as well as help you advocate for your needs that can help improve overall health outcomes.

Enclosed are our new patient registration forms. Please complete these forms to the best of your knowledge. Included is a *Medical Records Release Form*, which allows us to request your past medical records prior to your first visit. We ask that you complete this form and drop it off at our clinic as soon as possible.

In order for us to best serve you:

1. Please check in at the clinic 15 minutes prior to your scheduled appointment time.
2. Please bring your insurance card and your ID with you to your visit.
3. Please bring the bottles of any current medications you are taking.
4. If you need to cancel or reschedule your visit please provide us with 24 hours notice.

We are ready to serve you at one of these locations! Welcome to the Orchid Health Family!

FAQ - Frequently Asked Questions!

How do I make an appointment?

- Most people call our office to schedule an appointment.
- You can also request an appointment through our Patient Portal.

What is the Patient Portal?

- The Portal allows you to send messages directly to your Provider, instead of calling. It also allows you to see any lab and imaging results as soon as we receive them.
- You can find the portal link on our website: www.orchidhealth.org (upper right corner). - Ask any of our staff for help. We can send you an email link or set you up when you come in.

What days and hours are you open?

- *Oakridge*: Monday 8:30am-5pm, Tuesday and Wednesday 8:30am-7pm, Thursday and Friday 8:30am-5pm
- *Estacada*: Monday and Tuesday from 8:30-7 and Wednesday, Thursday, and Friday from 8:30am-5pm
- *McKenzie River*: Monday - Thursday from 8:30 am - 5:00 pm, closed on Fridays.
- *Fern Ridge*: Monday-Tuesday from 8:30am-7pm, Wednesday-Friday from 8:30am-5pm
- *Sandy*: Monday-Friday from 8:30am-5pm
- *Hoodland*: Monday-Friday 8:30am to 5pm

What if I need to reach someone after the office is closed?

- Easy! Use the same phone number you normally call and listen for the option to reach our After-Hours Nurse Service.

How do I get my Prescription Refilled?

- The best FIRST step is to call your pharmacy and ask them for a refill - they will then contact us directly if needed.
- If you are having any difficulty, please call us so we can resolve it for you. (Or use the Patient Portal!) - Any “controlled medication RX” needs to be given during an appointment. (This would include things like pain medication, certain anxiety, or sleep medication, etc).

Can I have my blood tests drawn at Orchid?

- Yes, we draw labs for the patients who have *established* with us (even if ordered by others).

Do you do X-RAYS at Orchid?

- No, sorry, at this time, we do not have an X-RAY machine at any of our sites - but we can give you an order to do your test somewhere else.

How can I get my lab or X-RAY/imaging results?

- If you have a follow-up appointment scheduled, then your provider is probably planning to review your lab results at that time, but we will call you with anything really important, so nothing gets overlooked.

What if I am worried about paying for my visit or labs?

- We don't want money to stand in the way of your health care, so please talk to us about your concerns.
- Ask about our Sliding Fee Discount, too!

Do you see Kids? What about Babies? What about Seniors?

- Yes, Yes, and Yes!
